

Gian Paolo Bernini

Progetti srl

<http://www.progetti.life>

Description

The entire line of products offered by Progetti shares the same relentless attention to design and creativity typical of the finest made in Italy production that permits the construction of objects with a new image for the same cherished functions as ever. Each of our design projects is conceived and produced in Italy and particularly addressed to those in search of style and elegance. Developed to our own original designs, Progetti decor accessories are distinguished by the high quality of the materials used, fine handcraftsmanship, and painstaking attention to each and every detail.
