

Attilio Marinoni

Managing Director

Selva Bike Srl

<http://www.selva.bike>

Description

Since 2012, Selva focuses his work in rediscovering wood, ancient material, renewables with exceptional structural characteristics in the production of bicycles. A bicycle in wood made by Selva provides an unmatched physical sensation, harmonised with the anatomy of the body and nature. A unique and incomparable pleasant drive, unattainable with other conventional material used in bicycle manufacturing.
