Descripción

Puffins are crispy fruit in a surprisingly new, light form. Thanks to unique vacuum drying technology of puffing we maintain natural sweetness of ripe fruit and their nutritional values. We offer organic and conventional products but all of them are vegan and gluten free. Puffins offer variety of snacks: dried mango, pineapple, apple, dark grapes, goji berries, cherries, strawberries, banana and physalis. Our new range is crunchy vegetables: dried tomatoes, dried Jerusalem artichoke, dried carrots and dried beetroot. We offer our products for retail market but we also sell in bulk and make 100% natural powders. We are family business located in Wielkopolska Region - Poland. Our mission is to create a healthy snack using the best organic fruits and vegetables from all over the world and innovative technology to dry them and make them crispy. We are proving that you can perfectly combine passion to high-technology and healthy life style.
